

EVERYONE IS WELCOME

What is Bank On South Alabama?

We are a partnership of banks, credit unions, non-profit organizations and local governments. We help individuals save more of their own money by not having to pay high fees when using payday lenders and check cashing services.

Why do I need an account?

With a low or no-cost account, you can make sure your money is safe and start to save for the future. Financial institutions can also help you improve your credit score and help you achieve your financial dreams such as homeownership.

How can I open an account?

Contacting a financial institution partner is the first step. Our financial institution partners are trained to answer questions and assist you in choosing products/services to meet your needs.

How can I best manage my money?

Our free classes will help you identify and achieve your financial goals. Learn how to establish financial goals, manage your money, improve your credit score and many other personal finance topics.
